Woman Travels From
Boston to Akron,

In Search of Employment
In Store

Kept by George Haneline, the
Jeweler.

Says Position Was Not As
Represented.

Mrs. Minnie Corbett, of Harrisville, Mich., came to Akron, Saturday, with the intention of doing housework for Geo. Haneline, 133 South Main st., the proprietor of a small jewelry and repair shop, with his tenant apartments in the rear. After giving the place a hasty investigation she left almost broken hearted. She carried a baby of only a few months in her arms.

Mrs. Corbett came to Akron after reading and answering an advertisement in a Cleveland paper which finally led to a correspondence with Mr. Haneline. The advertisement which started the correspondence, follows:

WANTED—Lady, help in store and kitchen; no hard work; nice business; by widow; no children; guarantee everything respectable; to those who are in earnest and in need of a good, steady place or pleasant home; no trifling; give description. Address G. H., 188 S. Main, Akron, O.

It has been stated that Haneline had a similar experience with a lady from Boston, but he denies it. However, Chief of Police Harrison Monday morning said "George," as he termed him, "has had more than 20 women come to his place in similar ways." The authorities are investigating the case.

Mrs. Corbett at present is stopping at the Arlington hotel, and says that Mr. Haneline will be compelled to pay her expenses while in the city. Haneline says, however, that she cannot make him pay for her living.

ANNUAL OUTING

Of the Schwaben-verein at Voris
Grove Sunday.

The annual outing of the Schwabenverein, held at Voris grove Sunday was a most successful and pleasant affair, attended by about 1000 people.

About 3 o'clock a large delegation, composed of members of the Beyerlein, arrived at the grove, having marched in a body from Turner hall. An escort from the Schwabenverein, accompanied by the K.O.T.M. band, which furnished music for the occasion, met the visiting delegation a short distance from the grove and led them to the grounds.

Shortly after the arrival of the visiting delegation a tug of war took place between members of the two societies, 20 men to a side. The result was a victory to the Beyerlein.

John Hausch was chairman of the committee of arrangements, the other members being John and Gottlieb Steiger.

The amusement committee was composed of John Nitz and Christian Meher.

Mission Services.

The annual mission services held at the German Lutheran church Sunday morning at 9:30 o'clock were well attended and interesting.

Rev. Frederick Keller of Cleveland conducted the services and preached an eloquent sermon regarding the negro missions of the southern states. A special collection was taken and \$64.08 was received.

In the evening at 7:30 o'clock Rev. C. M. Zorn of Cleveland, formerly a missionary in India, spoke interestingly of his experiences in that far distant country. His remarks were instructive and highly appreciated.

THE WEATHER:

Generally fair and cooler tonight.

TWENTY CARS

Filled With Buckeye
Binders and Mowers

Started on a Trip to Far Away
Buenos Ayres.

D. B. Augst, commercial agent for the Erie dispatch, said Monday morning, "Akron is rapidly growing into a prominent commercial center."

He said this with a smile as he watched the special Erie train of 20 new freight cars loaded with Buckeye mowers and binders, pull out of the yard bound for New York. Perhaps Mr. Augst was almost as proud of the appearance of the outfit as was the manufacturing firm, Aultman, Miller & Co.

The train left Akron at 8:30. The entire shipment of machinery is bound for Buenos Ayres, on the northeastern coast of Argentine Republic, South America. The Thomas Drysdale company at that place is the purchaser.

The trip to New York will be made during the day time, so that the advertising of the machinery may be of more advantage. On the sides of each car are large advertising placards designating the contents of the car and by whom manufactured. There are on the train 200 binders and 10 mowers.

Another shipment of machinery by Aultman, Miller & Co. to the same place will follow within a short time. The Buckeye mowers and reapers are gaining a well earned reputation in the far off southern country, which some day may rival that at home.

ATTACHMENT

On the Davis Automobile Delays His
Trip.

The Davis trip across the continent has been postponed for some days, after a triumphant start yesterday afternoon, says a Toledo special. The rear axle broke when some distance west of this city, and the machine was brought in for repairs on a truck.

Today an attachment was issued against the machine by the Edward Malley Co. of Stanford, Ct., for \$80 worth of furnishings. Mr. Davis says that he is not personally responsible, as the machine is the property of an Akron tire company. The case will be heard in the city courts next Wednesday.

The repairs on the machine will not be completed until that time. Inquiry among the rubber concerns of the city did not develop anything definite in reference to an Akron firm's owning the automobile. It is thought that the above is a mistake. Davis represents an eastern firm. His machine was made somewhere in Connecticut. About three months ago he was in Akron and got a set of tires from the Diamond Rubber company.

Quick Work.

An acetylene gas lantern was stolen from the bicycle of F. H. Caley Saturday night. He left his wheel standing in front of the Western Union Telegraph company's office while he wrote out a message. He was in the building about three minutes. When he came out the lamp was gone.

LAST LINKS.

BIG CATCH—Edw. Robinson of the Loomas Salt works, caught 480 fish, mostly blue gills, at Turkey-foot one day last week.

NO LOSS—A fire in a pile of refuse near the barn of David Aronson, 527 West Exchange, called out the departments at noon. No loss.

TRIP TO ISLAND—The normal class of the First M. E. church will go to Put-in-Bay Wednesday, Aug. 28, on the C.T. & V. excursion. It is thought that a large crowd will take advantage of the cheap rate that day.

KICKED BY HORSE—Dayton Corp., aged 13, of Northampton, was kicked in the face by a horse which he was taking to pasture. Deep gashes were cut in his forehead and mouth. Dr. D. E. Crauz of Akron, attended him. The injuries were not serious.

TEACHERS OUTING—The teachers of the First Congregational Sunday school, with Messrs. Seymours, Perkins and Kelley's classes, will hold an outing at "The Gorge," Wednesday afternoon at 4 o'clock. Supper at \$15 in order that all may be there by that time.

SEESE

Defeats Col. Sanford.

Latter Says His Friends
Broke Pledges.

They Promised to Help
Him, But Didn't.

Machine Helped Seese---That
Tells the Story.

The Very Light Vote Makes Politicians
Apprehensive.

FOR REPRESENTATIVE.

C. F. Seese 1,031

H. C. Sanford 1,001

Seese's plurality, 30.

FOR COMMISSIONER.

Philip Wagoner 1,291

Milo White 649

Wagoner's plurality, 642.

THE TICKET.

Representative—C. F. Seese of

Hudson.

Probate Judge—Geo. M. Anderson

of Akron.

County Clerk—E. A. Hershey, of

Akron.

County Recorder—Williston Al-

ling, of Tallmadge.

County Commissioner—Philip

Wagoner, of Franklin.

Infirmary Director—Jacob Metz-

ger, of Springfield.

There are more than 8,000 Republican voters in Summit county. There are more than 4,000 Republican voters in Akron. But at the Republican primaries Saturday only 600 and odd votes were polled in Akron, with about 1,900 votes in the entire county. This result is shown by the vote for the various candidates whose nominations were not contested.

To the Machine politicians who control the local Republican organization and who for many years have dictated nominations in Summit county, the mock contest between rival candidates was nothing. To them the failure of the rank and file to interest themselves in the party's affairs was everything.

The politicians had been the victors in too many battles to be frightened by the noise or fury of the fray. They looked on with comparative indifference, while Seese, the favorite of the present, and Sanford, the favorite of other days, hewed each other with their battle axes. They even smiled while Wagoner rode rough shod over White, but the paucity of numbers of those who took part in the contest is a subject of which the Machine generals cannot speak without a shudder of apprehension.

For the Republicans a heavy stay-at-home vote on primary day means the same experience on election day. This has been the invariable rule of the past. The bosses can make their slaves, better with few votes than many; perhaps they can make the people vote for their machine made ticket on election day. But it is when the people will not vote at all that bosses tremble and wonder what particular party policy makes the people stay at home. With Republican voters of Summit county the causes seem to be imperialism, discrimination in favor of the trusts against the interests of the people, and—Mark Hanna, with a little opposition to the dictatorial methods of Hanna's local Machine, thrown in.

The causes will be more apparent on election day.

SEESE WINS OUT.

Result Was In Doubt Until This
Afternoon—Light Vote.

Despite the fact that a very light vote was polled in the city and country, the fight between Col. H.

P. H. Schneider Co.

C. Sanford and Prof. C. F. Seese, was very bitter.

Col. Sanford's vote in Akron was several hundred below his estimate. He had promised of support from enough Republicans in Akron to have given him the nomination by a large margin. But they did not go to the polls. It is said that a number of those who had assured him of their vote, turned around and peddled Seese tickets.

Members of the Republican County Executive Committee had little to say when asked to assign a reason for the light vote. They make the specious and apologetic claim that there was "a lack of interest because of the fact that many of the candidates were up for renomination."

Col. Sanford said that the people "did not know there was a primary election." He evidently has a poor opinion of the circulation of his party's organ, as that paper had advertised the primaries every day for a month.

The County Commissioner nomination was too one sided to be interesting. The Machine simply slaughtered White. Wagoner had men at every precinct moulding sentiment in his favor by the usual methods.

SISTERS

In Charge of Schools.

Those Who Will Come to
Akron This Year.

Number of Changes Have
Been Made.

St. Mary's Congregation Ar-
ranging For Fair.

Most Satisfactory Collection of
Pew Rents.

The Sisters who will have charge of St. Mary's and St. Vincent de Paul's schools during the coming term, arrived from their convent home at Elensburg, Pa., Friday.

A number of changes have been made in the list of teachers, very few of those who were here last year having been returned.

The superioress at St. Vincent's school is Sister Xavier, while the same position will be held by Sister Raphael at St. Mary's. Sister Mary John, who was superioress at St. Vincent's last year, will be at Galitzin, Pa., this year, and Sister Agnes, superioress at St. Mary's last year, will go to Columbus. There are seven teachers at St. Mary's and eight at St. Vincent's. A most excellent term is looked forward to. The schools of these churches will begin September 5.

Church Fair.

The congregation of St. Mary's church is arranging for a fair which will in the near future be held in St. Mary's hall and continue for a week. The date for holding the fair has not been set. Rev. Francis T. Moran, pastor of the church, will next Sunday morning announce the names of members of the various committees that will have the arrangements for the fair in charge.

Pew Rent Collected.

The collecting of the quarterly pew rent at St. Mary's church was completed Sunday morning and the amount received was most satisfactory. This is the principal or regular source of income to the church, no collection being taken at regular services. Many new names were added Sunday to the list of pew renters.

Vesper Services.

Vesper services, which, during the summer season, were discontinued at St. Mary's church will be resumed, services to be at the regular hour, 8 o'clock Sunday afternoons.

Distinguished Guest.

Rev. M. P. Kinkead of Defiance, Ohio, who was recently appointed to the charge of the church of the Immaculate Conception at Youngstown, which vacancy was caused by the death of Rev. Wm. Manning, was the guest of Rev. Dr. Francis T. Moran, Friday.

Normal class First Methodist church, excursion to Put-in-Bay, Wednesday, Aug. 28, \$1.50 round trip. Tickets at C. A. Holloway's shoe store.

LONG BEFORE 1776

Was the Smith Family in America—
Pleasant Reunion.

The ninth annual reunion of the Smith family, descendants of Adam Smith, was held at Silver Lake Saturday, Aug. 19. Geo. Smith was born in Alsace, France, and emigrated to the colony of Pennsylvania, North America, about the year 1750. Adam Smith, his son, was born in 1745 and died 1828. He served as a soldier in the Revolutionary war and was promoted to volunteer captain.

There were about one hundred present at Saturday's reunion from Canton, Greentown, Uniontown, Harville, Marlborough, Oval City, Doglestown, Barberton, Kent, Cleveland and Akron.

An interesting sketch of the family history was read by the secretary. The officers of last year were re-elected. They are: S. B. Weary, president; S. B. Switzer, vice president; M. M. Knox, secretary. It was decided to hold the next meeting at Myers' lake, near Canton, the third Saturday in August, 1900.

JUDGE GRANT'S

Nomination Will Help
the Ticket.

Says Hon. I. H. Phelps—Cannot be
a Delegate.

To the Editor of the DEMOCRAT: Quite a number of candidates have asked me to be a delegate in the Convention to be held on Saturday next for delegate to the State Convention at Zanesville. I would be pleased to conform to their wishes and attend our State Convention as a delegate, but business engagements will prevent my doing so.

Believing that Col. Kilbourne of Columbus is, by far, the strongest man named as a candidate for governor in this state, and that the voters of Ohio will ratify his nomination by electing him, I sincerely hope that he may receive the united vote of the 10th district delegation.

I believe the nomination of our Hon. C. R. Grant as a candidate for supreme judge is assured and that our state ticket will be very materially strengthened thereby.

Respectfully,
I. H. PHELPS.

RUNAWAY.

Mrs. Mary Guse Injured—Drove
Into Gutter.

Saturday afternoon, while Mrs. Mary Guse of Cuyahoga st., was driving in a buggy near the corner of Cross and Sherman sts., she turned the horse to the side of Sherman st., nearly opposite Burkhard's brewery, to pass another vehicle. A deep gutter is located at the side of the street and one side of Mrs. Guse's buggy got into the ditch, frightening the horse, which started to run away. The animal was caught by Groceryman Louis Leffler, who keeps a store at 161 Sherman st., before it had run very far. Mrs. Guse was thrown out of the buggy and one of her arms injured considerably. She was also bruised about the body. The horse was slightly hurt and the harness and vehicle somewhat damaged.

EXONERATED

From All Suspicion of Wrong Doing
Is Mr. A. I. Lewis.

To Our Friends: Mr. Russell Peabbles of New York, writes us the facts regarding Mr. A. I. Lewis' arrest in that city, which are as follows:

Mr. Lewis made some purchases at one counter in a department store, and desiring to make some others, took the goods, intending to transfer them to another counter. This, it seems, is not permitted by the house and the detective noticing the goods in his hands, at once arrested him, and would accept no explanations. After the matter was fully explained before a magistrate, however, the case was dismissed.

It would seem from the above that all of the facts in the case have been grossly misrepresented and that Mr. Lewis has done no dishonest acts. His large acquaintances will be pleased to know that this matter has been put in its true light and that he has been entirely exonerated from all suspicion of wrong doing.

CELEBRATION

Of the Feast of St. Bernard—Im-
pressive Services.

The feast of St. Bernard was celebrated at the St. Bernard church Sunday morning at 10, with solemn high mass and a fine orchestral accompaniment by the St. Bernard orchestra. Rev. Francis Joseph Hopp, of the Shelby settlement, near Mansfield, was the celebrant; Rev. J. B. Brown, pastor of St. Bernard's church, deacon; Rev. F. Borenman, of Mercer, Pa., sub-deacon. The sermon was preached by Jesuit Father Charles Gudenus, of Cleveland. Low mass was also celebrated at St. Bernard's church at 6, 7 and 8 o'clock a.m. In the evening at 7:30, the closing up of the Forty Hours' devotion services was celebrated with a solemn procession service at the church. The participants in the procession were Rev. Brown and the visiting clergy, named above, the school boys and Knights of St. John. Candles and flowers were carried in the procession. The church was decorated beautifully, and the service was most impressive.

A. G. Shields Dead.

Monday morning, about 7 o'clock, A. G. Shields, a well-known citizen of Hudson, died suddenly. He was aged about 60 years, and is survived by a wife and four children. With the exception of a daughter who lives in Cleveland, all the children reside at Hudson. The deceased was familiarly known as "Judge" Shields, and had many friends in Akron. He was a life long Democrat.

William H. Nees Dead.

William H. Nees, one of the best known residents of Stark county, died at his home in Uniontown Sunday morning at 8 o'clock. Death was due to heart trouble. He has been in business in that village for many years. Funeral services will be held at his late home Wednesday afternoon.

Natural Gas

Notice to the Citizens of Akron:

In order to introduce into all homes in the city of Akron in the shortest possible time the use of Natural Gas, The East Ohio Gas company will give

A Discount, From the Present Fixed Rates, of
5c For Each 1,000 Cubic Feet.

Of gas used for domestic purposes during the year commencing July 1st, 1899, and ending July 1st, 1900.

As the company is making all house connections at actual cost of materials and labor, it believes that this saving in the price of gas will go largely towards the expense of piping the houses and will give the company the advantage of having every citizen (even the poorest) as a consumer, thus affording to all the best and cheapest fuel. To encourage the use of gas by manufacturers, special rates will be given on application at the office.

EAST OHIO GAS CO.

E. STRONG, President

WAS SHORT

Of Money and Picked
Picnicker's Pocket.

Gulbraith Pleaded Guilty to Charge—
Police Court Cases.

Effert F. Gulbraith, aged 22, pleaded guilty in Police court Monday morning to stealing 25 cents of Vernon M. Combs at Silver lake and was fined \$10 and costs.

Gulbraith has been camping at Silver lake for about a month. He ran short of money and neglected to write home for expense money. Saturday he was arrested by Constable Ed Mahoney at Silver lake and brought to Akron. They thought he had stolen more money and goods but were unable to prove it. Prison-keeper John E. Washer secured a confession from him. He said that he had stolen money and valuables amounting to \$20 or 25. He was released today upon paying his fine and costs, \$15.55.

Louis Burkholder pleaded not guilty to a charge of horse stealing. It is alleged he stole a mare, valued at \$40, from his father, John J. Burkholder, of Coventry township, Sunday. The case has been continued until Wednesday.

John O'Toole got \$5 and costs and 30 days in the workhouse for fighting with his brother Thomas, who was discharged.

Frank Hailstock and Wm. H. Bradford, both colored, were arraigned on charges of disorderly conduct by fighting. They pleaded not guilty and the cases were set for Wednesday.

Julius O. Simmons, janitor of Buchtel college, had Wm. Washer and Erastus Petley arrested for entering the ball grounds. Washer's case was continued until Wednesday and Petley's until Thursday.

Daniel Noe, 113½ Barteg st., charged with assault and battery, will have his case heard Thursday. The case against Frank Binehart, charged with peddling without a license, will be called Friday in court.

Wm. Udians was fined \$3 and costs for intoxication, while John Kelley, James Brady and James Martin each got \$2 and costs.

PARALYSIS

Caused the Death of Mrs. Matilda
M. Burlison.

Matilda B., wife of County Detective James Burlison, 115 South College st., died Saturday evening at 5 o'clock of paralysis, after being ill for 12 days. She has been in poor health, however, for a long time. She was 72 years, 5 months and 14 days old. Her husband and adopted daughter, Miss May, survive her. Funeral Tuesday at 10:30 at the house. It will be private.

BARN BURNED.

Four Horses Cremated—The Loss
Exceeds \$4,000.

A big bank barn located on Samuel Kepler's farm, three-quarters of a mile south of Halo, and occupied by John Diefendorf was with its contents, damaged \$4,000 by fire Sunday afternoon at 4:30 o'clock. The origin of the fire is attributed to spontaneous combustion.

Four horses were cremated, while two horses were rescued and 12,000 bushels of grain are a total loss. The damage is not all covered by insurance.

The Standard and Its Employees.

Recently there appeared in a number of leading newspapers a story bearing a Cincinnati date line, purporting to give a review of the labor troubles at Coeur d'Alene mines near Warder, Idaho. In this article the assertion was made that the Standard Oil company owned and operated the mines in question and had reduced the wages of the operatives, discharged the union men and employed non-union laborers and finally had invoked the aid of the military to suppress the resultant disturbances. Insofar as the name of the Standard Oil company was connected with the matter we are assured the story was entirely false. This company has devoted all its time, its capital and its resources exclusively to the production, refinement transportation and sale of petroleum and its products. It is not interested in any coal mines at Warder or elsewhere, or in any labor troubles in Idaho or elsewhere. It pays
